ACCESS

your secure information anywhere, anytime via the web

"In today's world, there are few companies that are reasonably priced that provide such great data maneuverability... Thank you Cayen for making such a great property program and making our jobs easier."

- Debbie Ogburn – Wayne County Public Schools, NC

Start

Try Property for Free!

Step 1: At the Apple App Store, search for "Cayen Property." Download the free Property app and open it on your iOS device (iPod, iPhone, or iPad).

Step 2: Tap Begin Session.

Step 3: Log in with the following credentials: User Name: freetrial@cayen.net Password: freetrial1

Step 4: Tap Trial Organization and tap Select at the upper right

Step 5: Tap the Scanner button at the bottom of the screen and select the Main Office. This will be the location in which you are scanning items. Start scanning the car codes below.

Asset Tag	Item Name
 1 2 3 4 5	Dell Desktop Computer
 2 3 4 5 6	Office Chair
 3 4 5 6 7	Panasonic Digital Video Camera
<i>Scan any bar code (soup can, cereal box, notebook)</i>	<i>Practice Adding a New Item via the Property app</i>

Step 5: At any point, tap the Item List button at the bottom of the screen to see the status of all items.

Step 6: Tap the Login/Submit button at the bottom of the screen. Tap Submit Now to upload your scans.

Step 7: Go to <http://freetrial.datapropeller.com> to reconcile your scans. Use the following credentials to connect to the demo Property application:

Email Address: freetrial@cayen.net Password: freetrial1

Step 8: On top Navigation Menu, click Reconcile -> Reconcile Scans to see the items you have scanned and/or added.

Step 9. Play around with the system and the app! Upload documents, take photos, transfer items & more.

Step 10. Contact us if you would like to learn more, see a full demo or get a price quote!
